PETITION TO WITHDRAW HOLDING OF ABANDONMENT

BASED ON FAILURE TO RECEIVE OFFICE ACTION

On June 12, 2003 Examiner Mullins telephoned attorney of record and informed attorney of the abandonment of the above-mentioned application as a result of nonreponse to an Office Action dated December 5, 2002. Attorney stated to the Examiner that no Office Action dated December 5, 2002 was received in attorney's Office. Applicants hereby petition to withdraw the holding of abandonment based on failure to receive an Office Action with request to remail the Office Action and set a new date for response.

To show nonreceipt of the Office action attorney of record hereby states that the Office Action was not received by attorney nor his office, and attorney hereby attests to the fact that a search of the file jacket and docket records indicates that said Office Action was not received. A copy of the docket record (Attorney's office docket calendar) where the nonreceived Office Action would

have been entered had it been received and docketed is attached, the docket record showing all replies docketed for a date three months from the mail date of the nonreceived Office Action being submitted as documentary proof of nonreceipt of the office action.

Please consider this matter and withdraw holding of abandonment, remail the non-received Office action and references if any with a new due date.

Respectfully submitted,
Heinrich-Jochen Blume, et al
